

Wanted: Adults To Be Reading Tutors

Dear Families,

We are starting the “**Read Naturally**” reading program and are in desperate need of some extra adult help. Read Naturally helps students increase their reading fluency.

We are currently seeking adult volunteers who are interested in helping out with this program 1-4 times per month for a 35 minute time slot. Minimum computer skills are necessary, since the “Read Naturally” program is loaded onto each computer & is easy for students & adults to learn. The adult volunteer’s role will chiefly be listening to students’ reading during timed readings & offering encouragement & some guidance.

I will be glad to train or answer any questions for anyone that is interested in helping out. This is a fun, rewarding and easy way to make a huge difference in a child’s reading. If you know when you would like to volunteer please circle the time below & fill out the form.

Thanks for making a difference.
