

**Walking Excursion Permit**  
**Edison Elementary School**  
1328 East 22<sup>nd</sup> Ave, Eugene, OR 97403 • 541-687-3284

Dear Parents,

In connection with their classroom instruction, children make planned trips to different places of educational value during the year. These trips are planned so that children may learn under the direct supervision fo the teacher and other adults who make the trip.

Every possible precaution is taken to insure the safety of the children, but since the trips are away from the school, there is an element of risk involved. When possible, school buses are used. When private automobiles are taken, an attempt is made to get parents who have children making the trip to drive. Those parents must fill out the 4J form and meet the auto insurance requirements. Forms can be picked up in the school office, or downloaded from the Edison web site, <http://schools.4j.lane.edu/edison/>.

This year, we are asking parent to sign the excursion permit, below, which will allow children to make walking field trips any time during the year. You will be notified of trips which extend beyond an approximate 10 block radius of the school. However, there will be no need to sign a permit for each walking trip. Signed parent permission will still be required for each trip using motorized transportation.

Only children with properly signed permits are allowed to make trips away from school. The school personnel believe the experience valuable enough to warrant making the trips. We recognize your right as parents to decide whether you wish your child to go.

Sincerely,

Tom Maloney, Principal
