

Charlemagne Site Council Application

Have you ever wondered how you can make a difference in your child's school?

Have you enjoyed working in the classroom or serving as a member of PTO, but are looking for another way to expand your experience and input at Charlemagne?

We need YOU as a parent representative on our school's Site Council!!

Site Council is the governing body of our school. It is made up of parent representatives (serving staggered two-year terms), teacher representatives, one classified representative, and the principal. Site Council meets once a month to discuss school curriculum, school structure, staff development plans and training options, job postings and qualifications, the school calendar, and any other concerns parents and teachers may have. Serving as a member of Site council is an excellent way to make a difference in our school and to be involved in important issues and decisions.

If you are interested in serving as a parent representative on Site Council for the school years 2008/09 and 2009/10, **please submit the application to the office by Friday, March 21.**
