

## **SITE COUNCIL MINUTES**

### **November 12, 2008**

**Present:** Dustin Dawson, Mariko Maddock, Jenny Mora, Marty Parisien, Barbara Whitlock, Suzy Price, Howard Malcom, Scott Weisbly, Victoria Clark, Hunter Moore, Kim Castro, Wes Flinn, Mary Ann Litalien

#### **Last Month's Minutes**

We got both the Read/right grant and the MEChA grant. Yea!  
Correction for Scott Weisbly's name was not spelled correctly on the agenda.

#### **Student Update**

How is Kelly Cash going? Any ideas for things we can do to motivate students in the school store.

#### **Fundraiser proposal (Howard)**

Would like to be able to do small scale fundraising (Tillamook beef jerky, cookie dough, etc.) for the field trip to DC.  
Set up a garage sale for parents to raise some money for the DC trip.  
Put this on the next agenda. December 10<sup>th</sup>.

#### **Alternative Review Updates**

Suzy reported that the YG and all other district middle level immersion programs are under review as well. Suzy and some of the YG parents have finalized the application and are nearing the submission of the document. A visit is scheduled for November 24<sup>th</sup> by district reps.

The transition team met this morning to keep moving forward on our plan for the Combination of the DaVinci and Kelly program. The number one priority will be doing the marketing for the school choice time coming up soon. We want to make a DVD that promotes/markets our school.

Going to PTO is a big plus for getting out the message to 5<sup>th</sup> grade parents. Parents really like to hear what is great about the school that they are going to.

#### **Begin process for updating our School Improvement Plan**

Dio came to hear our story at to try and put all this information into a graphic that puts all this information together.

Dio asked- what is the lens that we use to decide how we make decisions.

Relationships, Relevance, Rigor and seems to fit the best. Do we want to rewrite the mission statement?
