Kresko / Health 6:

EQ: What are the long and short term of substance abuse on physical and mental health?

Criteria for success:

- Be respectful to teacher and peers
- Mindfulness Monday - know and follow expectations
- Describe Coronavirus prevention methods
- Finish Anti-tobacco Presentations
- Play Team Kahoot!

HW: Show HIV letter to parents & finish and submit any remaining Google Classroom assignments

Machado / Science 6:

This week students need to complete and turn in the Trout Mystery Project they received last week.

Monday: We will view the Sea Lamprey video in class that is needed to complete page 16 of the project.

Tuesday: Optional invasive species presentations. Students who want a highly proficient must create and present a short slide show or poster on an invasive species.

Wednesday: Turn in final project for grading

Students are encouraged to work on this project at home as well as class.
