

# McCornack Elementary School

## *Excursion Permit*

---

---

Dear Parent,

In connection with their classroom instruction, children make planned trips to various places of educational value during the school year. These trips are planned to enhance the learning environment of McCornack Elementary School.

Every precaution is taken to ensure the safety of our students, but since these trips are off school grounds, there is an element of risk. Most trips are taken on school district buses but occasionally private vehicles are used. All persons driving their own vehicle must provide proof of insurance to the McCornack office.

This year, we are also asking parents to indicate that they give permission for their child to participate in “walking field trips” which will allow children to make walking field trips ***any time*** during the school year. This will permit your student to participate in these "walking" field trips without the need for a signed permit for each trip. However, you will be notified of trips which extend beyond an approximate 10 block radius from school, and signed parent permission forms will be required for all trips using motorized transportation.

Only students with properly signed permits will be allowed to participate in off campus activities. The school also recognizes your right as a parent to decide whether you wish your child to participate. Please sign the form below and return to your child’s teacher. Please contact me or your teacher(s) if you have any questions at 687-3451.

Sincerely,

Tasha Katsuda  
Principal

I give my permission for \_\_\_\_\_ Teacher  
\_\_\_\_\_ to participate in off campus activities for the 2008-09  
school year.
