From the Principal

Dear Cal Young Families,

We have had a very exciting month! January was filled with students working on important projects as we end the first semester. You may have been experiencing some of that “end of the semester” urgency. As we begin this new semester, please encourage your child to write down his or her assignments, complete homework right away, and turn it in on time. I know that may sound obvious, but homework completion is one of the biggest contributors to a passing or failing grade. Typically, students at the middle school level should expect between 60 - 80 minutes of homework each night. However, it does vary from week to week. We appreciate your help and support in encouraging your children to do their best.

During both January and February we hold four open house events for families who live outside the Cal Young attendance boundary. We also welcome our incoming 6th grade families to these events. If you cannot make it to either of these events, we will also be hosting an event for our incoming 6th grade students and their parents in mid-May. Watch our calendar for those dates. This month we will host one meeting on February 13 from 6:30 - 8 p.m. and another meeting on February 15 from 9:30 - 11 a.m. Please feel free to join us and learn about our exciting school and what we have to offer.

We are grateful for the care and trust you place in us each day with your children.

Warmest regards,

Sara

**Admission into Eugene IHS will now be through the lottery process.** All interested students must fill out a school choice form and return it to the 4J District office by **Friday, March 2.** Eugene IHS will begin notifying all students regarding their acceptance via a special mailing beginning the week of **March 19.**

**4th Annual Eugene Irish Cultural Festival**  
**March 3, 2007**

Please join us for the 4th Annual Eugene Irish Cultural Festival! This year, we [Culture Ireland] are teaming up with the University of Oregon to bring several world-class musicians to Eugene for workshops and performances at two different locations: Sheldon High School and Beall Concert Hall. Check www.eugeneirishfest.org for more details.

The all day family-oriented festival begins at 10:30 a.m. at Sheldon High School and goes until 5:30 p.m. Learn with “Masters of Irish Traditional Music” Randal Bays, Aidan Brennan, James Keane, Gearóid Ó hAllmhuráin (Pronounced Ga-ROAD O-hal-ver-awn), Patrick Ourceau, and Catherine McEvoy. Have you ever wanted to play the tin whistle? Back up other musicians with your guitar? Learn more about the history of Irish instruments while watching virtuoso musicians up close? Come attend our workshops for the mere price of admission – only $8 for adults and $6 for seniors and students. Kids 5 and under are free!

In addition to workshops, wonderful musicians and dancers will be performing all day. (Check our website for a complete schedule.) Also, enjoy an authentic Irish Ceili – a dance for all ages, with live music and step-by-step instruction. Wander the halls and enjoy our vendors’ celtic offerings or explore the interesting educational crafts for the entire family.

In the evening, the University of Oregon School of Music and Dance is co-sponsoring “Masters of Irish Traditional Music” as part of the World Music Series. It will take place in Beall Concert Hall – a wonderful venue! This is a rare opportunity to hear Randal Bays, Aidan Brennan, James Keane, Gearóid Ó hAllmhuráin, Patrick Ourceau, and Catherine McEvoy. And possibly another surprise or two! Admission is only $10 for adults and $8 for seniors and students.

Dental care resources

Does your student have cavities that need repair? Has it been over a year since your child has visited a dentist? Do you lack dental insurance? Is money the reason your student is not visiting a dentist?

If you answer yes to the above questions, please call your school nurse, Laurie Rowe, RN, pager 710.3150, with your call back number and best time to call. There are several programs available to help students with dental care.

“Smile Day”, a once-a-year program is coming up on Friday, February 16, 2007. Local dentists volunteer their time and offices to see students that need dental care. Paperwork must be completed and processed prior to appointment times being assigned. Laurie is happy to speak with you and help out with the paperwork process.

Transportation by volunteers or Health Services staff might be available if a parent is unable to provide it.

The nurse requests parent volunteers already cleared for driving for field trips. If you are available to provide transportation for Smile Day, February 16, please call our school nurse, Laurie Rowe, pager 710.3150.

Another annual opportunity, a Free Sealant Clinic day, open to all students, will be held Saturday, March 10, at LCC, beginning at 9:30 a.m. Mark your calendar for this event if your student needs sealants on his or her molars.

Cal Young Track and Field continued

Cal Young Track and Field Athlete -
Congratulations for deciding to be a member of the 2007 Cal Young Track & Field Team. We, as coaches, look forward to you having fun this spring and making this season personally satisfying by becoming the best athlete you can be.
Here are our team rules:

1. Be on time, dressed down and in the gym by 3:35 p.m. daily (Wednesdays by 2:35 p.m.)

2. Attend all practices. If you are sick or cannot attend practice, you will need to bring a note signed by your parent/guardian to excuse you for the day(s) missed. No practice on Fridays.

3. If you miss a practice and do not bring a note excusing you (signed by your parent/guardian), you may not be able to play in that week's meet.

4. Use of drugs, alcohol, or tobacco is forbidden by district and school policy and is cause for dismissal from the team and suspension from school.

5. All student athletes ride the bus to meets and must return on the bus. Leaving the meet or going home after a meet with a parent requires a note signed by our parent/guardian (see page 4). Check in with one of the coaches before leaving.

6. Immediately report all injuries to one of the coaches.

7. Follow directions and be courteous and helpful to parent volunteers, coaches, teammates, and athletes from other schools.

Here are some thoughts and questions to keep in mind this season -

Did I:

- Strive for personal and team improvement?
- Set goals for our team and myself?
- Understand that where I place isn't the most important result?
- Set a (PR) personal record?
- Help the team improve?
- Support my teammates?

Answer yes to these questions and we will have a great season and a good time together!

Looking forward to working together,

your coaching staff,

Gary Lindberg, Head Coach
Mary Koritnik, Ric Bliss, and Tom Cantwell, Assistant Coaches
