The Sick Leave Bank Committee is directed by the Eugene Education Association to apply guidelines established in the 4J/EEA Collective Bargaining Agreement on matters related to the Bank. (See CBA.) The Eugene Education Association manages the paid Sick Leave Bank for 4J licensed bargaining unit members.

The Sick Leave Bank is a voluntary program. All paid sick leave hours contributed to the Sick Leave Bank shall be deducted by the District from the contributor’s sick leave account at the time of the contribution. Such contributions are irrevocable and shall remain in the Bank.

**A. Purpose**

The purpose of the Bank is to grant hours to eligible members in cases of long-term absence necessitated by illness or injury.

Hours granted provide a bridge to either long-term disability or to a return to work.

Sick Leave Bank hours may not be used as a bridge to retirement, resignation or termination of employment.

Hours shall not be granted for normal post-partum recovery, including recovery from caesarean section. Maternity is not an eligible condition for Sick Leave Bank benefits except in extraordinary circumstances.

**B. Membership**

1. Sick Leave Bank participation is voluntary for members of the bargaining unit. Only members participating in the Sick Leave Bank may benefit from the program.

2. To become a participating member of the Sick Leave Bank, a bargaining unit member must donate 8 sick leave hours based on 1.0 FTE, or prorated for part-time members.

3. To maintain active membership, a minimum donation of one day (prorated for part-time members) must be made every two (2) years. It is the member’s responsibility to monitor his/her membership status. A reminder of both this responsibility and the minimum donation policy will be made during the announcement of each open enrollment period.

4. Initial applications for membership will be submitted in writing using the Sick Leave Bank Transmittal Agreement Form.
5. Two open enrollment periods will be strictly enforced. The first open enrollment period will begin the first day that teachers report at the start of the school year and end October 31 or the next business day, if October 31 is on a weekend. The second open enrollment period will commence February 1 and end the Friday following Spring Break.

6. Licensed bargaining unit members hired after the first day teachers/specialists report will have 90 days from date of employment to enroll in the Sick Leave Bank or in a subsequent open enrollment period.

7. Licensed bargaining unit members may, at retirement or separation, donate up to the maximum hours allowed to the Sick Leave Bank.

8. Bargaining unit members who decline to participate in the Sick Leave Bank forfeit their right to be part of the Sick Leave Bank.

9. Individuals returning to bargaining unit status by transfer from administrative positions or reemployment shall satisfy the same membership requirements as described in (10) below.

10. If the Sick Leave Bank is depleted or low on hours, bargaining unit members who did not elect to join the Sick Leave Bank at their first enrollment period or upon initial employment, may be asked to donate all sick leave hours they would have otherwise contributed to the Sick Leave Bank from their initial date of employment or at the next open enrollment.

11. In the event contributed days become depleted during the operation of the Sick Leave Bank, the Sick Leave Bank Committee, at its discretion, may open the enrollment and/or request further contributions against its members, or suspend operation of the Sick Leave Bank until the next school year.

12. Members may be asked to donate up to 16 sick leave hours annually.

13. All paid sick leave hours contributed to the Sick Leave Bank shall be deducted by the District, from the contributor’s sick leave account, at the time of the contribution. Such contributions are irrevocable and shall remain in the Sick Leave Bank.
